

# Timon W. Mesulam

Software Developer | Cyber Security Analyst

## Contact Information

-  [timon.w.mesulam@gmail.com](mailto:timon.w.mesulam@gmail.com)
-  [+256 770 708 018](tel:+256770708018)
-  [linkedin.com/in/timwm](https://linkedin.com/in/timwm)
-  [Half London Area, Mbale, Uganda](#)
-  [github.com/timwm](https://github.com/timwm)

## Hard Skills

- Software design principles/architectural patterns
- Data mining and analysis
- UI/UX design and development principles
- Mobile/desktop application development
- Networking and security Principles

## Soft Skills

- Multi-tasking and problem-solving abilities
- Decision making and observation
- Communication
- Self-motivation and creativity
- Continuous learning and growth mindset

## Languages

- English  (Fluent)
- Kiswahili  (Proficient)

## Tech Stack

React/React Native, PHP (Laravel, Symfony),  
Kotlin, Python, C/C++, NodeJS  
Gradle, Git, Electron, Android Studio, Webpack  
HTML, CSS, Sass, SQL, Material Design, Typescript,  
etc.

## Summary

Adaptable and results-oriented with 3+ years of comprehensive understanding of software design principles, security protocols, and various programming languages along with proficiency in diverse technologies and patterns. Eager to apply proven-budget maximization skills and commitment to continuous learning, effective collaboration and delivering scalable, efficient and secure software solutions.  
([about.me/timwm](https://about.me/timwm))

## Experience

- ICT President, Mbale Senior Secondary School  
01.2022 – 2023
- Modern Mobile/Desktop Application Development  
06.2022 – Present
  - Employing modern technologies and frameworks (Jetpack, React Native, Electron, etc.)
  - Crafting intuitive and feature-rich applications.
- Web Design and Development | Full-stack  
01.2020 – Present
  - Actively engaged in full-stack web development projects.

## Education

- 2024 CoGrammer | On track to complete  
Software Engineering Boot Camp
- 2023 - 2024 Cisco Networking Academy | On track to complete  
Junior Cyber Security Analyst and Penetration Tester
- 2013 - 2016 10 GCSE equivalents (UCE) with Mathematics, English, and Physics.

## Volunteer Experience

- 2024 Volunteer at The Bucket Ministry
  - Fostering social change in communities.
